Lucas Hoff Schmidt

Business Lawyer | Data Analyst | Technical Specialist

Business Lawyer (cand.merc.jur.) with a strong technical toolkit in data analysis and IT. I bridge the gap between rigorous legal methodology and technical execution, specializing in contract analysis, GDPR compliance and process optimization through SQL, Python and Power BI. I thrive in cross-disciplinary environments where legal risk management meets data-driven decision-making.

Professional Development

Digital Business Development and Technical Specialization (Jan 2024 – Dec 2025)

- Used Python and SQL for systematic data processing, ensuring high data quality and generating actionable business insights.
- Performed data modeling and visualization in Power BI and utilized Dynamics 365 to optimize administrative workflows.
- Acquired a strong understanding of backend logic and data structures in the development of complex digital systems.

Work Experience

Independent Product Developer | Mysteritas (Jan 2020 – Dec 2023)

- Built gaming apps in C# focusing on modular system architecture and optimizing UX based on user interaction data.
- Handled everything from drafting Terms of Service and trademarks to VAT reporting and bookkeeping.

Legal Assistant & Creditor Controller | Saint Gobain Distribution Denmark (May 2022 – Jun 2023)

- Conducted contract analyses and legal risk assessments and ensured GDPR compliance for sensitive data handling.
- Reconciled accounts and investigated irregularities via Excel, securing data integrity for financial reporting.
- Developed standardized user manuals and process descriptions, streamlining onboarding and reconciliation.

General Meetings Assistant | Euronext Securities (Mar 2024 – Apr 2024)

- Managed shareholder registration under strict deadlines and complex regulatory frameworks.
- Provided patient guidance on complex procedures for general meeting participation.

Mentor | Mentor Danmark (Oct 2021 – Jun 2022 / Oct 2024 – Feb 2025)

- Translated academic concepts into accessible learning modules for students, emphasizing pedagogical patience and individualized adaptation.

Cinema Operator & Café Assistant | Værløse Bio & Café (Mar 2014 – Sep 2017)

- Managed technical operations and troubleshooting of playback equipment, daily cash reconciliation and customer service in the café.
